The Arlington Fire District Board of Fire Commissioners, in conjunction with the Town of Poughkeepsie Town Board members, met at 7:00 p.m. in the Community Room located at 19 Tucker Drive, Poughkeepsie, NY. The purpose of this meeting was to listen to the presentation by Mr. Bob Mitchell of Mitchell Associates Architects, the consultant funded by a \$150K Municipal Innovation Grant from Dutchess County. He presented their findings and recommendations of a Shared Municipal and Fire District Facility Study. No action was taken by either the Board of Fire Commissioners or the Town of Poughkeepsie Town Board and no other business was conducted. There were approximately 40 people in attendance which included the AFD BOFC, Town Board, representatives from the firms involved in the study and residents. Several questions from the residents were answered by the firms in attendance. The presentation ended at 9:03 p.m. and a tour of the conditions of the building at 19 Tucker Drive was conducted by Chief Kevin Faber of the Town of Poughkeepsie Police Department.

Respectfully Submitted,

Renee O’Neill
District Secretary
